Don't forget to bring a donation to help farmers in Africa!

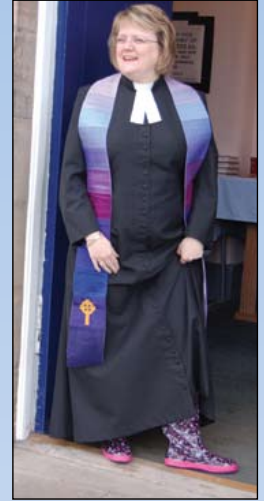

## Did you know?

80% of Africans rely on the land for survival.

Two out of every three Africans live in extreme poverty.

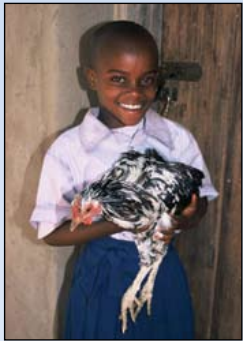

We are supporting FARM-Africa because they work directly with farmers to find better, practical solutions to poverty.

Our support this Harvest Festival can turn lives around. FARM-Africa is providing simple, practical help so that African families can rejoice in good harvests – now and for many years to come.

Giving Poverty the Boot, Bellie Church, Scotland.

Thank you for getting involved and helping us to Give Poverty the Boot!

could provide chickens, food and training to a school

could teach children how to grow crops

could train a "village vet" to look after animals and treat basic diseases

could give local farmers seeds to plant and an ox to plough their fields
