

A boot to help you Give Poverty the Boot!

Here's a welly outline you can use for your Give Poverty the Boot activities. You can decorate the welly for your colouring competition, or you can fill in the boot with interesting facts about FARM-Africa or a prayer for African farmers. You can also use the template to plan your design before you get stuck into painting your old wellies. One welly shape – lots of uses!

Welly displays by Flore Primary School
